

## Karen's Intuitive **Art Message** from Lisa

When I first connected to your energy I heard this message, "The world is your canvas it's yours to explore" and your precious cat, that is in heaven, was right on your shoulder. Everything you desire is right at your fingertips. It's time for you to gently and continually forgive yourself and start believing that anything is possible. You're an artist of your own life. Create the life you have been dreaming about. TRUST, BELIEVE, HONOR and LOVE yourself. Pull back the curtain and see all the pathways and opportunities that are there for you. Reach for the stars! You have an infinite amount of knowledge inside of you. Start putting the puzzle pieces together.

### The symbol of the colors used:

Red (Root Chakra)– Connect to the earth and ground yourself. Trust and get the root of family issues and family history and trust that you have all of the knowledge inside you. Set healthy boundaries. *Call in Archangel Michael to help you release any fears you have and he will offer you the healing gifts of protection.*

Yellow (Solar Plexus Chakra) – Strengthen your self esteem, confidence and personal power. Step into and own your power. Dance, play and laugh more. *Call in Angel Sarah to help clear any feelings of powerlessness and she will offer you the healing gift of empowerment.*

Green (Heart Chakra) – Let your emotions out and as you do, trust and follow your heart. Be more compassionate, forgiving, kind and loving to yourself. Follow the paths that make your heart sing. *Call in Angel Cassiel and she will help you clear any heartache or betrayal you feel and will offer you the healing gift of unconditional love.*

Blue (Throat Chakra) – Continue to use your voice and communicate what you truly want. Say it out aloud so the universe, guides, loved ones and angels hear you. Speak, write and believe your own truth. Timing is everything. Check in with yourself and feel the rhythm of your own desires. *Call in Angel Celestina she will help you clear away any stuck feelings of not being able to express yourself and offer you the healing gifts of creative and self expression.*

Violet (Crown Chakra) – Connect more to the universe and reach for the stars. You are spiritually connected and aware of your truth. Stepping into your own inner wisdom, joy and wholeness you will discover more of the inner peace. *Call in Angel Ariel and she will help you clear your limiting human beliefs and will offer to help you awaken to your soul's mission and passions.*

Your original IAM piece of artwork is 8" x 8" and mounted on an 11" x 11" matte board.

**The symbol of the dark blue starry night sky swirled into the background:** This is a reminder that you are connected to the universe and stars. You have infinite possibilities and messages, synchronicity, symbols and signs are coming to you. These messages are often signs that can reassure you that you are on the right path. You just need to be open to this. The stars are a beacon of hope; sending you positivity, love, happiness and renewal.

**The power of the infinity symbol:** Notice the two infinity symbols appearing in the swirled background. These two symbols are here to remind you that you have infinite possibilities. Life can be filled with distractions and complications so try to do the things that bring you joy, simplicity, and balance. This will help restore harmony within yourself.

**The symbol of your cat:** Your cat is one of your guardian angels and his energy is around you sending you positive and good luck energy. Know that you have your cat and others that have passed over supporting you as well. Your independence and time alone is important to you. Know that it is safe for you to reach out and meet new people as you move forward in your journey.

**The symbols of the pathways mean:** You have many journeys to take and know that each pathway will be an adventure and continuous self discovery. If you are feeling uneasy about taking a new path or journey, step back for a moment and breathe, ground yourself, and then check in with yourself again. Trust your own inner wisdom and guidance.

**The symbol of the curtain:** The drawn back curtain symbolizes the invitation for you to look at all the beauty around you and as you move forward expose yourself to more new friends and opportunities. Come out from behind the curtain and ground yourself more in the present moment.

Heartlinks and blessings,
