### **I LITTLE MORE ABOUT ME:**

I have been an artist since childhood and have naturally been channeling my artwork, either through my fine art, children's book illustrations, graphic design and presently with my IAM. When clients see my artwork, it invokes a loving, peaceful, happy, calming and enlightening feeling. With your own unique personalized IAM, you are receiving a visual energy art creation that may help you awaken, shift, heal and perhaps guide you on your spiritual path and journey.
